Sub: Company Profile – M/s MIRAE PROJECTS PRIVATE LIMITED

(Formerly M/s Pooja Enterprises)

Dear Sir,

Thankfully we took this opportunity to introduce our self as leading player in the field of **FIRE PROTECTION, DETECTION AND AUTOMATIC ALARM SYSTEM AND DETECTION SYSTEM, GAS FLOODING/ SUPPRESSION SYSTEM, WATER SUPPLY, PLUMBING (EXTERNAL & INTERNAL) AND SANITATION SYSTEM, WATER TREATMENT AND SOFTENING PLANT SYSTEM etc.**

We have started operation in January 2003 with the aim to provide best quality products within the specified time limit. We have started with doing Fire Fighting Works for small cooperative Group Housing Societies and grown up gradually one of the leaders of this field Today, we have association with Developers like M/s Motherson Group, M/s Subros Limited , M/s Amber Enterprises India Limited, M/s Lohum Cleantech Pvt. Ltd., M/s Starion India Pvt Ltd. , M/s Elentec India Pvt Ltd., M/s Medico Electrodes International Ltd. , M/s Haier Appliances India Pvt Ltd., ILJIN Electronics India Pvt. Ltd. , M/s Sidwal Refrigeration Industries Pvt Ltd. Etc.

We are getting regular business with these developers. We have also association with **M/s Hochiki Authorised System Partners – Fire Alarm & PA System Works**. More than 90 % business we are getting with our existing Customers.

We have all statutory registration of Govt. of India like **GST, MSME** etc. Our operation is in all over India. We have latest tools of World Class technology to cater our job. We have 70 skilled manpower on our payroll. We are doing all works through this skilled manpower and never sublet any of our jobs. We have separate team for after sales service with latest tools. This is done in consideration to provide better services to our esteemed customers in more professional way.

Our Company has been strategically evaluated by Senior Professors of IIT Delhi, Department of Management Studies. We are implementing their recommendations stage wise for better process & services.

To insure proper quality, we follow stage wise inspection process .Our field quality executive inspect the work at the end of every stage and if found satisfactory then only they allow the erection crew to proceed for next stage. Total we are having three inspection stages. We are having permanent employees to execute the work and not believing in subletting the work.

Before assigning any job to our fresher goes on proper training.

Thanking you,
Yours truly,
